5. Solid colored skirts may be worn in the center of the floor with the teacher's permission.
6. Angelo Luzio canvas ballet shoes. Do not get a larger size for growing room as this constricts the line of the foot, shoes must be fitted.
7. Small earrings may be worn. Absolutely NO: necklaces, bracelets, rings, fitbits, apple watches, regular watches or hair ties are to be worn on the wrist area at anytime, as these items cause distractions.
8. Warm up clothing may be worn during plies when temperatures are low.
9. NO booty shorts or biker shorts, only ballet knitted warm up shorts or ballet windbreaker material shorts can be worn during that "special" time of the month. That "special" time of the month only happens once a month!
10. Tuck your ballet strings into the ballet shoes!
11. If you need to wear a bra, you are allowed to wear a black thin strap sports bra with no "T" style or "X" style back. It needs to have the cleanest lines possible that do not show outside of the leotard.
