

Non-Compete Release Form

No dancer participating in a competition team/group/solo at any other studio or dance academy shall be allowed to register for classes, except for Drill Team Jazz, at Royalty Dance Academy. Because Royalty Dance Academy has many Dance and Elite Competition teams, soloist and ensembles, it is considered a conflict of interest for our instructors to train other dance studio's and academy's students for competition against our dancers. By signing this contract, you are certifying that you and/or the dancer you are signing for, is not now or does not plan to be a member of any competition team, soloist, or other competitive dance group outside of Royalty Dance Academy, Rockwall, Texas. If found falsifying this document, you will be immediately dropped from all Royalty Dance Academy classes and no reimbursement will be issued.
